Dear Mr. Chairman:

In your letter of 25 September 1975, you requested a copy of all documents relating to the Frank Olson case.

As was stated to Mr. Thomas Susman of your Judiciary Subcommitte staff, when the request was first made to representatives of the Agenc copies of all of the Olson documents had been given to the Olson famil at the direction of the President. Mr. Susman was then informed that the Agency would clear the request with the Olson family since we felt that the family might object to the disclosure of certain of the material for reasons of privacy. We have been contacted by Mr. David Rudovsky of Kairys and Rudovsky, the Philadelphia law firm representin the Olson family, and he has informed us that they have no objection t our furnishing you this material.

Accordingly, enclosed are copies of all documents that were provided to the family.

Sincerely,

W. E. Colby
Director
